ABOUT US

Company History

PT. DieselmECH Utama Indonesia, located in Batam, Indonesia, is a subsidiary of DIESELMECH ASIA PTE. LTD, Singapore. We specialize in comprehensive technical services for both 2 stroke and 4 stroke engines, including conventional mechanical engines and the latest electronic engine models. We are capable of supplying engine spare parts with precision, whether you require genuine parts or sourced OEM alternatives. Under the DieselmECH Group, we operate multiple workshops and service teams strategically located across key regions: Singapore, Johor, and Batam supporting the Asia Pasific, Shanghai and Guangzhou covering China, Dubai serving the Middle East, and Turkey for Europe.

Our Commitments

We are committed to delivering superior quality products and upholding the highest standards of customer service. Our goal is to maintain the trust and goodwill of our customers, establishing ourselves as their first and preferred choice for marine engine solutions.

Since
2022

Our Values

- ✓ Customer Experience longevity
- ✓ Reliability
- ✓ High quality

VISION & MISSION

Vision

Our humble beginning
will inspire and innovate
all marine engineers.

Mission

We are committed and dedicated to deliver
professional marine engineering solution to all
our clients, at the most competitive cost.

*Moving Forward;
Growing Future*

MEET OUR TEAM

Sayne Nicholas Tham

Chief Executive Officer (CEO)

Mr. Sayne Nicholas Tham started with Marine Engineering from Singapore Polytechnic, specialized with First Class Honors in Accounting and Finance, MSc Marketing and EMBA. He is also an IASSC Certified Sigma Black Belt practitioner since 2018.

Prior to joining the Group, Mr. Nicholas Tham was the former Head of Primeserv Singapore and South East Asia; Head of Technical Services and Head of Sales. Mr. Nicholas Tham also sits as the Group Executive Director representing I.T.I. Group of Companies.

Mr. Nicholas Tham has more than 20 years of broad experience in the maritime industry and a proven Entrepreneur.

Fariq Yusoff

Managing Director

Mr. Fariq Yusoff brings more than 24 years of marine industry experience, having developed his expertise from the ground up in shipyards. His background includes managing repair vessels and project vessels, as well as working in the oil & gas sector. This extensive field experience positions him ideally to lead the Indonesia team and pursue strategic market opportunities.

OUR LOCATIONS

2 STROKE SERVICES

DRYDOCK MAINTENANCE

- Mechanical & Electronic Engine
- Pneumatic & Starting Air System Overhaul
- Electronics System Check

RECONDITIONING OF 2 STROKE COMPONENTS

- Piston Crown
- Exhaust Valve Spindles
- Connecting Rod Reconditioning

TROUBLESHOOTING

- Remote Assistance
- Warranty Request
- Health Checks for Most Engines

PNEUMATIC PACKAGE

A two-stroke main engine's pneumatic system overhaul is a process of disassembly, inspection, cleaning, repair, and reassembly of its pneumatic components, particularly focusing on the main starting valve and air distributor.

- **Customize Package for PMS according to Customer Requirements**
- **Genuine Spares available**
- **Testing & Commissioning**

ALPHA LUBRICATOR PACKAGE

An Alpha Lubricator is an advanced, electronically controlled system for supplying precise amounts of cylinder oil to marine diesel engines (like MAN B&W ME engines) to reduce oil consumption and improve cylinder condition.

- **Customize Package for Alpha Lubricator overhaul according to Customer Requirements**
- **Genuine Spares available**
- **Testing & Commissioning**

4 STROKE SERVICES

VOYAGE REPAIR (LOCAL & OVERSEAS)

- Major Overhauling
- Supervision
- Troubleshooting

SPECIALIZE

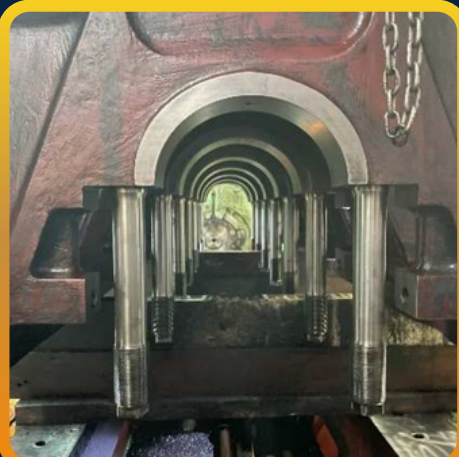

- Crankshaft Repair and/or Renewal
- Health Check Services For 4 Stroke
- Commissioning

ELECTRICAL SERVICES

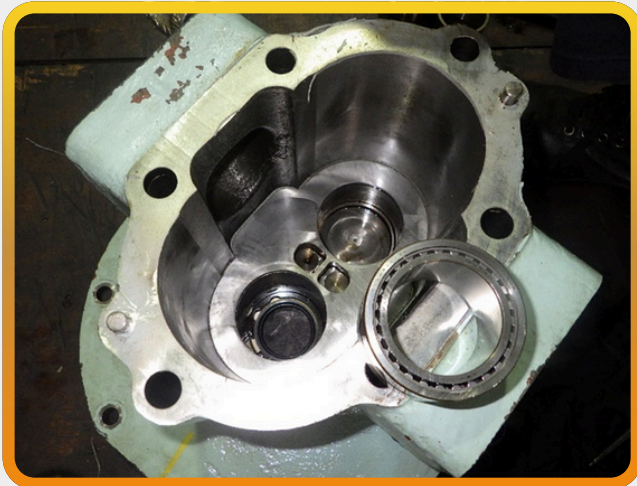

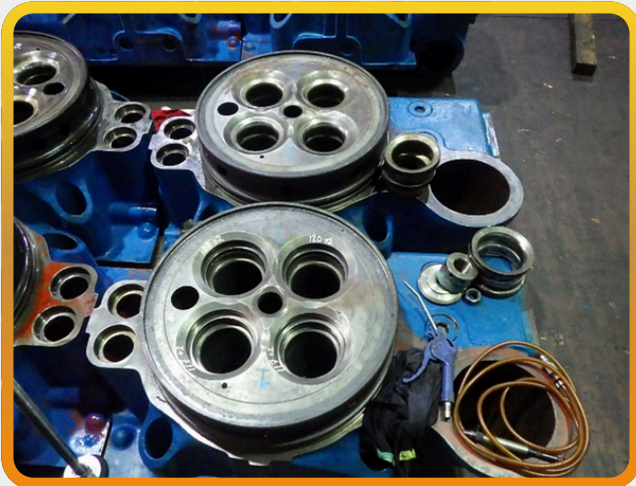

- Switchboards
- AMS and PMS
- Cablings and Instalation
- Calibration of Boilers/Calibration of Bridge Equipments/ Alternator Rewinding

4 STROKE SERVICES

- **CRANKSHAFT REPLACEMENTS**

- **OVERHAUL OF MAJOR COMPONENTS**
